Worldwide Car Rental Insurance

No matter what car You rent or where You rent it, You may be covered.

We will cover You up to \$50,000 toward the cost of repairs or the cash value of the car, whichever is less, if a covered accident or theft occurs when You pay for a rental car with Your Citi® Card and decline the rental company's collision loss/ damage insurance.

To be eligible for coverage under this benefit, Your Citi Card must be used to pay for all of the cost to rent the car. If a rental car company promotion/discount of any kind is initially applied toward payment of the rental, any remaining portion of the rental must be paid for with Your Citi Card.

How Long are You Covered?	The length of the rental car agreement, with a maximum rental period of 31 consecutive days.
Where are You Covered?	Coverage is available worldwide. Some countries or car rental agencies require a letter of coverage. Please check with the rental agency before You go and call 1-866-918-4670 Monday – Sunday, 8 a.m. – 12 a.m. ET (TTY: 711) if a letter of coverage is required.
Maximum Coverage per Rental Car	\$50,000

> WHO'S COVERED

You and any authorized driver designated or listed on the rental car agreement, with a valid driver's license.

> WHAT'S COVERED

To take advantage of this benefit, the following conditions apply:

- The rental period is no more than 31 consecutive days.
- The rental car is a motor vehicle with at least four wheels that is designed to be driven on public roads.
- The rental car is:
 - Damaged by an accident, a natural disaster or vandalism; or
 - Stolen.

You will be reimbursed for the following in the event of a covered accident or theft:

- The cost to repair the rental car or the actual cash value of the rental car, whichever is less.
- Reasonable towing expenses to the nearest collision repair facility.

In the United States, the coverage provided by this benefit is secondary.

This means that if You have another insurance policy that will cover the cost of damage or theft to Your rental car, this benefit will cover only the amount Your other policies do not. Worldwide Car Rental Insurance does cover deductibles You may have to pay under Your other insurance policies (or that Your employer may have to pay, if You rented the car for business reasons).

Outside the United States, the coverage provided by this benefit is primary even if You have another insurance policy.

> WHAT'S NOT COVERED

Coverage does not apply to any claim under the following conditions:

- The rental car is used in a way that goes against Your rental car agreement (such as driving recklessly or under the influence of drugs or alcohol) or against clear instructions or warnings posted in the car.
- The rental car was used as a car for hire.
- You or an authorized driver does not take responsible care of the rental car.
- The car is rented through a car sharing company that allows individuals to rent out their own vehicle.

This coverage is not all-inclusive, which means it does not cover such things as personal injury, personal liability or third-party personal property. It does not cover any damages to other cars or property. It does not cover any injury to any party.

Coverage does not apply to the following charges or expenses:

- The diminished value to the rental car.
